**ITEM 1.01 Entry into a Material Definitive Agreement.**

On September 30, 2013, Destination XL Group, Inc. (the "Company") entered into three Equipment Security Notes for equipment financing, whereby the Company borrowed an aggregate of \$12.2 million. Such notes were issued pursuant to a Master Loan and Security Agreement with Banc of America Leasing & Capital, LLC, dated July 20, 2007 and most recently amended on September 30, 2013 (as amended, the "Master Agreement"). On October 1, 2013, the Company entered into an additional Equipment Security Note for \$1.7 million (all such notes, the "Notes").

The Notes are secured by a security interest in all of the Company's rights, title and interest in and to certain equipment. The Notes are for 48 months and accrue interest at a fixed rate of 3.1067%. Principal and interest, in arrears, are payable monthly, commencing on October 30, 2013 and November 1, 2013, respectively. The Company is subject to a prepayment penalty equal to 1% of the prepaid principal of the Notes until the first anniversary, 0.5% of the prepaid principal from the first anniversary until the second anniversary and no prepayment penalty thereafter. The Master Agreement includes default provisions that are customary for financings of this type and are similar and no more restrictive than the Company's existing credit facility with Bank of America, N.A.

The Company expects to finance up to an additional \$16.1 million of equipment acquisitions over the next twelve months pursuant to the Master Agreement, resulting in aggregate equipment financing loans of up to \$30.0 million. Any future notes will be equipment financings with similar terms and conditions to the Notes described above for assets acquired in connection with the Company's DXL store openings.

The foregoing description of loan documents does not purport to summarize all of their respective provisions and is qualified in its entirety by reference to such agreements filed as Exhibit 10.1 through Exhibit 10.6 to this Current Report on Form 8-K, which are incorporated herein by reference.

**ITEM 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

As described above under Item 1.01, the Company entered into three Notes pursuant to a Master Agreement on September 30, 2013 and an additional Note on October 1, 2013. The disclosures contained in Item 1.01 of this Report on Form 8-K are incorporated by reference.

All of Borrower’s Obligations under this Equipment Note are absolute and unconditional, and shall not be subject to any offset or deduction whatsoever. **2. Payments.** For value received, Borrower promises to pay to the order of Lender, the principal amount of **\$1,698,556.81**, together with interest thereon as provided herein. This Equipment Note shall be payable by Borrower to Lender in 48 consecutive monthly, installments of principal and interest (the “**Payments**”) commencing on November 1, 2013 (the “**Initial Payment**”) and continuing thereafter through and including October 1, 2017 (the “**Maturity Date**”) (collectively, the “**Equipment Note Term**”). Each Payment shall be in the amount provided below, and due and payable on the same day of the month as the Initial Payment set forth above in each succeeding payment period (each, a “**Payment Date**”) during Equipment Note Term. All interest hereunder shall be calculated on the basis of a year of 360 days comprised of 12 months of 30 days each. The final Payment due and payable on the Maturity Date shall in any event be equal to the entire outstanding and unpaid principal amount of this Equipment Note, together with all accrued and unpaid interest, charges and other amounts owing hereunder and under the Master Agreement.

Canton, MA 02021

Re: Master Loan and Security Agreement dated as of July 20, 2007 (the "**Agreement**"), between BANC OF AMERICA LEASING & CAPITAL, LLC ("**Assignor**") and Destination XL Group, Inc. ("**Customer**")

Assignor hereby gives Customer notice, and Customer hereby acknowledges receipt of notice, that effective as of October 1, 2013 (the "**Effective Date**") Assignor has assigned to BERKSHIRE BANK ("**Assignee**"), whose offices are at 58 State House Square, Hartford, CT 06103, all right, title, interest, obligations and liabilities of Assignor to the extent accruing on or after the Effective Date in and to Collateral Schedule No.: 17608-70003 dated October 1, 2013, executed pursuant to the Agreement (collectively, the "**Designated Schedule**"), and has assigned to Assignee the security interest granted by Customer with respect to the collateral described on the Designated Schedule (the "**Equipment**"), and solely to the extent related to the Designated Schedule and the Equipment, all of the other documents, instruments, agreements, certificates and filings executed and/or delivered to Assignor pursuant to the Agreement (together with the Designated Schedule, the "**Transaction Documents**").

From and after the Effective Date, all payments now or hereafter becoming due pursuant to the Designated Schedule or with respect to the Equipment shall be paid to **Assignor as fiscal agent for Assignee or**, upon receipt of notice from Assignee of the termination of such fiscal agency, to **Assignee as directed in Assignee's invoices**.

In recognition of Assignee's reliance upon this Notice and Acknowledgment of Assignment, Customer certifies, confirms and agrees as follows:

1. The Agreement, the Designated Schedule and the other Transaction Documents have been duly authorized, executed and delivered by Customer; constitute the legal, valid and binding obligation of Customer, enforceable against Customer in accordance with the terms thereof; are in full force and effect on the date of execution of this notice by Customer; are not subject to any defenses, set-offs, claims, counterclaims, or any right of cancellation or termination; constitute the entire agreement between Assignor and Customer regarding the financing of the Equipment and the terms and conditions of the Designated Schedule with respect to the Equipment, and there are no other documents or agreements binding upon or affecting the Equipment; and no default by Assignor or Customer or event which, with the passage of time or the giving of notice, or both, would constitute a default by Assignor or Customer under the Designated Schedule has occurred. All names, addresses, signatures, amounts and other facts contained in the Agreement, the Designated Schedule and the other Transaction Documents are correct.
2. There are no modifications, amendments or supplements to the Agreement which relate to the Designated Schedule or any of the other Transaction Documents; and any future modification, termination, amendment or supplement to the Agreement which relates to the Designated Schedule or any of the other Transaction Documents, or settlement of amounts due thereunder which relates to the Designated Schedule or any of the other Transaction Documents, shall be ineffective without Assignee's prior written consent.
3. The Equipment has been delivered to and accepted by Customer and is in good working order and suitable for Customer's purposes in all respects. The Equipment is in Customer's possession and is located at the location specified in the Designated Schedule. No casualty has occurred with respect to the Equipment.

4. There has been no prepayment of rent, installments or other sums payable under the Designated Schedule. Payments of any and all monies due under the Designated Schedule have been and will continue to be paid in strict accordance with the terms thereof. The Designated Schedule is current in all respects, including, but not limited to, the payment of any applicable sales, use and personal property taxes. As of the Effective Date, there are forty-eight (48) scheduled payments, each in the amount of \$37,676.57, remaining to be paid under the Designated Schedule.
5. Customer acknowledges and agrees that (i) Assignor has conveyed to Assignee all of Assignor's right, title, interest, obligations and liabilities in and under the Designated Schedule and the Equipment and Assignor shall have no interest or authority of any nature regarding the Equipment or the Designated Schedule, and Assignor shall be released from all obligations and liabilities thereunder and with respect to the other Transaction Documents to the extent the same have been assigned to, and accepted and assumed by Assignee, (ii) Customer will deal exclusively with respect to the Designated Schedule with Assignee except to the extent that Assignor has been designated as fiscal agent for Assignee, and Customer will deliver such financial statements, all notices and other communications required, given or made by Customer relating to the Designated Schedule to Assignee at the address listed above, (iii) so far as enforcement of the Designated Schedule is concerned, notwithstanding the existence of other schedules to, and/or promissory notes, as applicable, issued under the Agreement, the Designated Schedule is separate and severable and Assignee may take enforcement action with respect to the Designated Schedule independently of other assignees, equipment owners or financing parties having an interest in the Agreement or such other schedules and/or promissory notes, as applicable, executed pursuant to the Agreement, and (iv) Customer will execute such other instruments and take such actions as Assignee reasonably may require to further confirm the sale, assignment and transfer of the Designated Schedule to Assignee and Assignee's interest in the Equipment.
6. Customer has not received any notice of, nor has Customer caused or participated in, any prior sale, transfer, assignment, hypothecation or pledge of the Equipment, the Designated Schedule or the amounts due or to become due thereunder.
7. Customer will keep the Agreement, the Designated Schedule and the Equipment free and clear of all liens and encumbrances (other than the interest of Assignor, Assignee or parties claiming by, through or under them).
8. All representations and duties of Assignor intended to induce Customer to enter into the Designated Schedule, whether required by the Designated Schedule or otherwise, have been fulfilled.
9. Customer has executed only one (1) original of the Designated Schedule and delivered the same to Assignor.
10. Pursuant to the terms of the Designated Schedule, Customer hereby agrees to promptly add Assignee as a loss payee and as an additional insured under each casualty and liability insurance policy maintained by Customer as may be required under the Designated Schedule and to furnish to Assignee evidence of such insurance coverage not later than 20 days from the date hereof.

Accepted and agreed to on this 1st day of October, 2013.

This Equipment Security Note No. 17608-70004, dated as of September 30, 2013 (this “**Equipment Note**”), is entered into pursuant to and incorporates by this reference all of the terms and provisions of that certain Master Loan and Security Agreement No. 17608-70000 dated as of July 20, 2007 (the “**Master Agreement**”), by and between **Banc of America Leasing & Capital, LLC** (“**Lender**”) and Destination XL Group, Inc. (“**Borrower**”). All capitalized terms used herein and not defined herein shall have the respective meanings assigned to such terms in the Master Agreement. If any provision of this Equipment Note conflicts with any provision of the Master Agreement, the provisions contained in this Equipment Note shall prevail. Borrower hereby authorizes Lender to insert the serial numbers and other identification data of the Equipment, dates, and other omitted factual matters or descriptions in this Equipment Note.

The occurrence of an “**Event of Default**,” as defined in the Master Agreement, shall entitle Lender to accelerate the maturity of this Equipment Note and to declare the Prepayment Amount to be immediately due and payable, and to proceed at once to exercise each and every one of the remedies provided in the Master Agreement or otherwise available at law or in equity. All of Borrower’s Obligations under this Equipment Note are absolute and unconditional, and shall not be subject to any offset or deduction whatsoever. Borrower waives any right to assert, by way of counterclaim or affirmative defense in any action to enforce Borrower’s Obligations hereunder, any claim whatsoever against Lender.

**1. Equipment Financed; Equipment Location; Grant of Security Interest.** Subject to the terms and provisions of the Master Agreement and as provided herein, Lender is providing financing in the principal amount described in Section 2 below to Borrower in connection with the acquisition or financing of the following described Equipment:

<u>Quantity</u>	<u>Description</u>	<u>Serial Number</u>	<u>Cost</u>
		See Exhibit A attached hereto	

**Location of Equipment.** The Equipment will be located or (in the case of over-the-road vehicles) based at the following locations:

<u>Location</u>	<u>Address</u>	<u>City</u>	<u>County</u>	<u>State</u>	<u>ZIP</u>
See Exhibit B attached hereto					

Borrower has agreed and does hereby grant a security interest in and to the Equipment and the Collateral related thereto, whether now owned or hereafter acquired and wherever located, in order to secure the payment and performance of all Obligations owing to Lender, including but not limited to this Equipment Note, all as more particularly provided in the Master Agreement. Lender’s agreement to provide the financing contemplated herein shall be subject to the satisfaction of all conditions established by Lender and Lender’s prior receipt of all required documentation in form and substance satisfactory to Lender in its sole discretion.

**2. Payments.** For value received, Borrower promises to pay to the order of Lender, the principal amount of **\$2,455,806.59**, together with interest thereon as provided herein. This Equipment Note shall be payable by Borrower to Lender in 48 consecutive monthly, installments of principal and interest (the “**Payments**”) commencing on October 30, 2013 (the “**Initial Payment**”) and continuing thereafter through and including September 30, 2017 (the “**Maturity Date**”) (collectively, the “**Equipment Note Term**”). Each Payment shall be in the amount provided below, and due and payable on the same day of the month as the Initial Payment set forth above in each succeeding payment period (each, a “**Payment Date**”) during Equipment Note Term. All interest hereunder shall be calculated on the basis of a year of 360 days comprised of 12 months of 30 days each. The final Payment due and payable on the Maturity Date shall in any event be equal to the entire outstanding and unpaid principal amount of this Equipment Note, together with all accrued and unpaid interest, charges and other amounts owing hereunder and under the Master Agreement.

**(a) Interest Rate.**

Interest shall accrue on the entire principal amount of this Equipment Note outstanding from time to time at a fixed rate of 3.1067 percent per annum or, if less, the highest rate of interest permitted by applicable law (the “**Interest Rate**”), from the Advance Date set forth below until the principal amount of this Equipment Note is paid in full, and shall be due and payable on each Payment Date.

**3. Prepayment** The outstanding principal balance of this Equipment Note may be prepaid in whole or part at any time, together with interest and late charges accrued through the date of the prepayment, provided that such prepayment shall be accompanied by a prepayment charge calculated as follows: one percent (1%) of the amount of the prepaid if such prepayment occurs during the period from the date of this Equipment Note to the first anniversary hereof; one-half percent (0.5%) of the amount prepaid if such prepayment occurs during the period commencing on the first day after the first anniversary hereof and continuing through the second anniversary hereof; and no prepayment charge if such prepayment occurs thereafter. Partial prepayments shall be applied against principal installments in their inverse order of maturity. A prepayment charge will not be due if this Equipment Note is refinanced with the Lender.

**4. Borrower Acknowledgements.** Upon delivery and acceptance of the Equipment, Borrower shall execute this Equipment Note evidencing the amounts financed by Lender in respect of such Equipment and the Payments of principal and interest hereunder. By its execution and delivery of this Equipment Note, Borrower:

This Equipment Security Note No. 17608-70005, dated as of September 30, 2013 (this "Equipment Note"), is entered into pursuant to and incorporates by this reference all of the terms and provisions of that certain Master Loan and Security Agreement No. 17608-70000 dated as of July 20, 2007 (the "Master Agreement"), by and between Banc of America Leasing & Capital, LLC ("Lender") and Destination XL Group, Inc. ("Borrower"). All capitalized terms used herein and not defined herein shall have the respective meanings assigned to such terms in the Master Agreement. If any provision of this Equipment Note conflicts with any provision of the Master Agreement, the provisions contained in this Equipment Note shall prevail. Borrower hereby authorizes Lender to insert the serial numbers and other identification data of the Equipment, dates, and other omitted factual matters or descriptions in this Equipment Note.

The occurrence of an "Event of Default," as defined in the Master Agreement, shall entitle Lender to accelerate the maturity of this Equipment Note and to declare the Prepayment Amount to be immediately due and payable, and to proceed at once to exercise each and every one of the remedies provided in the Master Agreement or otherwise available at law or in equity. All of Borrower's Obligations under this Equipment Note are absolute and unconditional, and shall not be subject to any offset or deduction whatsoever. Borrower waives any right to assert, by way of counterclaim or affirmative defense in any action to enforce Borrower's Obligations hereunder, any claim whatsoever against Lender.

**1. Equipment Financed; Equipment Location; Grant of Security Interest.** Subject to the terms and provisions of the Master Agreement and as provided herein, Lender is providing financing in the principal amount described in Section 2 below to Borrower in connection with the acquisition or financing of the following described Equipment:

<u>Quantity</u>	<u>Description</u>	<u>Serial Number</u>	<u>Cost</u>
		See Exhibit A attached hereto	

**Location of Equipment.** The Equipment will be located or (in the case of over-the-road vehicles) based at the following locations:

<u>Location</u>	<u>Address</u>	<u>City</u>	<u>County</u>	<u>State</u>	<u>ZIP</u>
See Exhibit B attached hereto					

Borrower has agreed and does hereby grant a security interest in and to the Equipment and the Collateral related thereto, whether now owned or hereafter acquired and wherever located, in order to secure the payment and performance of all Obligations owing to Lender, including but not limited to this Equipment Note, all as more particularly provided in the Master Agreement. Lender's agreement to provide the financing contemplated herein shall be subject to the satisfaction of all conditions established by Lender and Lender's prior receipt of all required documentation in form and substance satisfactory to Lender in its sole discretion.

**2. Payments.** For value received, Borrower promises to pay to the order of Lender, the principal amount of **\$4,890,607.12**, together with interest thereon as provided herein. This Equipment Note shall be payable by Borrower to Lender in 48 consecutive monthly, installments of principal and interest (the "Payments") commencing on October 30, 2013 (the "Initial Payment") and continuing thereafter through and including September 30, 2017 (the "Maturity Date") (collectively, the "Equipment Note Term"). Each Payment shall be in the amount provided below, and due and payable on the same day of the month as the Initial Payment set forth above in each succeeding payment period (each, a "Payment Date") during Equipment Note Term. All interest hereunder shall be calculated on the basis of a year of 360 days comprised of 12 months of 30 days each. The final Payment due and payable on the Maturity Date shall in any event be equal to the entire outstanding and unpaid principal amount of this Equipment Note, together with all accrued and unpaid interest, charges and other amounts owing hereunder and under the Master Agreement.

**(a) Interest Rate.**

Interest shall accrue on the entire principal amount of this Equipment Note outstanding from time to time at a fixed rate of 3.1067 percent per annum or, if less, the highest rate of interest permitted by applicable law (the "Interest Rate"), from the Advance Date set forth below until the principal amount of this Equipment Note is paid in full, and shall be due and payable on each Payment Date.

The principal and interest amount of each Payment shall be **\$108,481.08**.

**3. Prepayment** The outstanding principal balance of this Equipment Note may be prepaid in whole or part at any time, together with interest and late charges accrued through the date of the prepayment, provided that such prepayment shall be accompanied by a prepayment charge calculated as follows: one percent (1%) of the amount of the prepaid if such prepayment occurs during the period from the date of this Equipment Note to the first anniversary hereof; one-half percent (0.5%) of the amount prepaid if such prepayment occurs during the period commencing on the first day after the first anniversary hereof and continuing through the second anniversary hereof; and no prepayment charge if such prepayment occurs thereafter. Partial prepayments shall be applied against principal installments in their inverse order of maturity. A prepayment charge will not be due if this Equipment Note is refinanced with the Lender.

**4. Borrower Acknowledgements.** Upon delivery and acceptance of the Equipment, Borrower shall execute this Equipment Note evidencing the amounts financed by Lender in respect of such Equipment and the Payments of principal and interest hereunder. By its execution and delivery of this Equipment Note, Borrower:

NOTICE AND ACKNOWLEDGMENT OF ASSIGNMENT

September 30, 2013

Mr. Peter Stratton, Jr.  
Destination XL Group, Inc.  
555 Turnpike Street  
Canton, MA 02021

Reference is hereby made to that certain Equipment Security Note No. 70005 issued pursuant to and incorporating the terms of Master Loan and Security Agreement dated as of July 20, 2007 (the "Loan Agreement"), by and between BANC OF AMERICA LEASING & CAPITAL, LLC ("Assignor"), and Destination XL Group, Inc. ("Borrower").

Assignor hereby gives Borrower notice, and Borrower hereby acknowledges receipt of notice, that effective as of September 30, 2013 (the "Effective Date"), Assignor has assigned to Wells Fargo Equipment Finance, Inc., ("Assignee"), whose offices are at 733 Marquette Avenue, Seventh Floor, Ste. 700, Minneapolis, MN 55402, all rights, title, interests, obligations and liabilities of Assignor to the extent accruing on or after the Effective Date in, under and with respect to (a) Equipment Security Note No. 70005 dated September 30, 2013 executed by Borrower in favor of Assignor pursuant to the Loan Agreement (the "Assigned Note"), (b) the Loan Agreement, and (c) solely to the extent related to the indebtedness evidenced by the Assigned Note, all of the other documents, instruments, agreements, certificates and filings executed by Borrower and/or delivered to Assignor pursuant to the Loan Agreement and/or the Assigned Note (together with the Loan Agreement and Assigned Note, the "Loan Documents"). From and after the date of this Notice and Acknowledgment of Assignment, all payments now or hereafter becoming due pursuant to the Loan Documents or with respect to the collateral described in the Loan Agreement (the "Collateral") shall be paid to **Assignor as fiscal agent for Assignee provided however**, upon receipt of notice from Assignee of the termination of such fiscal agency, all payments shall be paid to **Assignee as directed in Assignee's invoices**.

In recognition of Assignee's reliance upon this Notice, Borrower certifies, confirms and agrees as follows:

1. The Loan Documents have been duly authorized, executed and delivered by Borrower; constitute the legal, valid and binding obligation of Borrower, enforceable against Borrower in accordance with the terms thereof; are in full force and effect on the date of execution of this notice by Borrower; are not subject to any defenses, set-offs, claims, counterclaims, or any right to cancellation or termination; constitute the entire agreement between Assignor and Borrower regarding the loan transaction evidenced thereby (the "Loan") and the terms and conditions of the Loan Documents with respect to the Collateral, and there are no other documents or agreements with regard to the Loan or affecting the Collateral; and no default by Assignor or Borrower or event which, with the passage of time or the giving of notice, or both, would constitute a default by Assignor or Borrower under the Loan Documents has occurred. All names, addresses, signatures, amounts and other facts contained in the Loan Documents are correct.
2. There are no modifications, amendments or supplements to the Loan Documents which relate to the Assigned Note or any of the other Loan Documents; and any future modification, termination, amendment or supplement to the Loan Documents which relates to the Assigned Note or any of the other Loan Documents, or settlement of amounts due thereunder or which relates to the Collateral, shall be ineffective without Assignee's prior written consent.

3. The Collateral has been delivered to and accepted by Borrower and is in good working order and suitable for Borrower's purposes in all respects. The Collateral is in Borrower's possession and is located at the location specified in the Loan Agreement. No casualty has occurred with respect to the Collateral.
4. There has been no prepayment with respect to the Assigned Note. Payments of any and all monies due under the Loan Documents have been and will continue to be paid in strict accordance with the terms thereof. The Assigned Note is current in all respects and all taxes due in connection with the acquisition, financing use and ownership of the Collateral have been paid. As of the date hereof, there are forty-eight (48) scheduled payments, each in the amount of \$108,481.08, remaining to be paid under the Assigned Note.
5. Borrower acknowledges and agrees that (i) it has granted to Assignor a first priority security interest in the Collateral and that the collateral is free of all other security interests, liens and encumbrances, and that as a result of the assignment of such security interest by Assignor to Assignee, Assignor shall have no interest or authority of any nature regarding the Collateral or the Assigned Note, and Assignor shall be released from all obligations and liabilities hereunder and with respect to the other Loan Documents to the extent the same have been assigned to, and accepted and assumed by Assignee, (ii) Borrower will deal exclusively with respect to the Assigned Note and Loan Agreement with Assignee, except to the extent that Assignor has been designated as fiscal agent for Assignee, and Borrower will deliver copies of all notices and other communications given or made by Borrower to Assignee at the address listed above, (iii) so far as enforcement of the Assigned Note is concerned, notwithstanding the existence of other promissory notes issued under the Loan Agreement, the Assigned Note is separate and severable and Assignee may take enforcement action with respect to the Assigned Note independently of other assignees or financing parties having an interest in the Loan Agreement or other promissory notes not included in the Assigned Note, and (iv) Borrower will execute such other instruments and take such actions as Assignee reasonably may require to further confirm the sale, assignment and transfer by Assignor to Assignee.
6. Borrower has not received any notice of, nor has Borrower caused or participated in, any prior sale, transfer, assignment, hypothecation or pledge of the Collateral, the Assigned Note or the payments due or to become due thereunder.
7. Borrower will keep the Loan Agreement, the Assigned Note and the Collateral free and clear of all liens and encumbrances (other than the interest of Assignor, Assignee or parties claiming by, through or under them).
8. All representations and duties of Assignor intended to induce Borrower to enter into the Loan Documents, whether required by the Loan Documents or otherwise, have been fulfilled.
9. Borrower has executed only one (1) original of each of the Assigned Note and Loan Agreement, which were delivered to Assignor.
10. Borrower agrees to promptly send to Assignee such financial statements and other notices as may be required to be sent to Assignee under the terms of the Loan Agreement, as assignee of Assignor's interest in, to and under the Loan Documents, directly to Assignee at Assignee's address set forth hereinabove.
11. Pursuant to the terms of the Loan Agreement, Borrower hereby agrees to promptly add Assignee as a loss payee and as an additional insured under each casualty and liability insurance policy maintained by Borrower as may be required under the Loan Agreement and to furnish to Assignee evidence of such insurance coverage not later than 20 days from the date hereof.

This Equipment Security Note No. 17608-70006, dated as of September 30, 2013 (this “**Equipment Note**”), is entered into pursuant to and incorporates by this reference all of the terms and provisions of that certain Master Loan and Security Agreement No. 17608-70000 dated as of July 20, 2007 (the “**Master Agreement**”), by and between **Banc of America Leasing & Capital, LLC** (“**Lender**”) and Destination XL Group, Inc. (“**Borrower**”). All capitalized terms used herein and not defined herein shall have the respective meanings assigned to such terms in the Master Agreement. If any provision of this Equipment Note conflicts with any provision of the Master Agreement, the provisions contained in this Equipment Note shall prevail. Borrower hereby authorizes Lender to insert the serial numbers and other identification data of the Equipment, dates, and other omitted factual matters or descriptions in this Equipment Note.

The occurrence of an “**Event of Default**,” as defined in the Master Agreement, shall entitle Lender to accelerate the maturity of this Equipment Note and to declare the Prepayment Amount to be immediately due and payable, and to proceed at once to exercise each and every one of the remedies provided in the Master Agreement or otherwise available at law or in equity. All of Borrower’s Obligations under this Equipment Note are absolute and unconditional, and shall not be subject to any offset or deduction whatsoever. Borrower waives any right to assert, by way of counterclaim or affirmative defense in any action to enforce Borrower’s Obligations hereunder, any claim whatsoever against Lender.

**1. Equipment Financed; Equipment Location; Grant of Security Interest.** Subject to the terms and provisions of the Master Agreement and as provided herein, Lender is providing financing in the principal amount described in Section 2 below to Borrower in connection with the acquisition or financing of the following described Equipment:

<u>Quantity</u>	<u>Description</u>	<u>Serial Number</u>	<u>Cost</u>
	See Exhibit A attached hereto		

**Location of Equipment.** The Equipment will be located or (in the case of over-the-road vehicles) based at the following locations:

<u>Location</u>	<u>Address</u>	<u>City</u>	<u>County</u>	<u>State</u>	<u>ZIP</u>
See Exhibit B attached hereto					

Borrower has agreed and does hereby grant a security interest in and to the Equipment and the Collateral related thereto, whether now owned or hereafter acquired and wherever located, in order to secure the payment and performance of all Obligations owing to Lender, including but not limited to this Equipment Note, all as more particularly provided in the Master Agreement. Lender’s agreement to provide the financing contemplated herein shall be subject to the satisfaction of all conditions established by Lender and Lender’s prior receipt of all required documentation in form and substance satisfactory to Lender in its sole discretion.

**2. Payments.** For value received, Borrower promises to pay to the order of Lender, the principal amount of **\$4,833,247.32** together with interest thereon as provided herein. This Equipment Note shall be payable by Borrower to Lender in 48 consecutive monthly, installments of principal and interest (the “**Payments**”) commencing on October 30, 2013 (the “**Initial Payment**”) and continuing thereafter through and including September 30, 2017 (the “**Maturity Date**”) (collectively, the “**Equipment Note Term**”). Each Payment shall be in the amount provided below, and due and payable on the same day of the month as the Initial Payment set forth above in each succeeding payment period (each, a “**Payment Date**”) during Equipment Note Term. All interest hereunder shall be calculated on the basis of a year of 360 days comprised of 12 months of 30 days each. The final Payment due and payable on the Maturity Date shall in any event be equal to the entire outstanding and unpaid principal amount of this Equipment Note, together with all accrued and unpaid interest, charges and other amounts owing hereunder and under the Master Agreement.

**(a) Interest Rate.**

Interest shall accrue on the entire principal amount of this Equipment Note outstanding from time to time at a fixed rate of 3.1067 percent per annum or, if less, the highest rate of interest permitted by applicable law (the “**Interest Rate**”), from the Advance Date set forth below until the principal amount of this Equipment Note is paid in full, and shall be due and payable on each Payment Date.

**(b) Payment Amount.**

The principal and interest amount of each Payment shall be **\$107,208.75**.

**3. Prepayment** The outstanding principal balance of this Equipment Note may be prepaid in whole or part at any time, together with interest and late charges accrued through the date of the prepayment, provided that such prepayment shall be accompanied by a prepayment charge calculated as follows: one percent (1%) of the amount of the prepaid if such prepayment occurs during the period from the date of this Equipment Note to the first anniversary hereof; one-half percent (0.5%) of the amount prepaid if such prepayment occurs during the period commencing on the first day after the first anniversary hereof and continuing through the second anniversary hereof; and no prepayment charge if such prepayment occurs thereafter. Partial prepayments shall be applied against principal installments in their inverse order of maturity. A prepayment charge will not be due if this Equipment Note is refinanced with the Lender.

**4. Borrower Acknowledgements.** Upon delivery and acceptance of the Equipment, Borrower shall execute this Equipment Note evidencing the amounts financed by Lender in respect of such Equipment and the Payments of principal and interest hereunder. By its execution and delivery of this Equipment Note, Borrower:

- (a) reaffirms of all of Borrower's representations, warranties and covenants as set forth in the Master Agreement and represents and warrants that no Default or Event of Default under the Master Agreement exists as of the date hereof;

- (c) authorizes and directs Lender to advance the principal amount of this Equipment Note to reimburse Borrower or pay Vendors all or a portion of the purchase price of Equipment in accordance with Vendors' invoices therefor, receipt and approval of which are hereby reaffirmed by Borrower; and
- (d) agrees that Borrower is absolutely and unconditionally obligated to pay Lender all Payments at the times and in the manner set forth herein.
